**To whom this may concern**

Avar & company have been dealing with all of our personal and business Tax over the last year. We have found this company to be very efficient and prompt. The service has been excellent we would highly recommend them for all personal and business accountancy.

Mr Ashok Varma was dealing personally with our accounts, and we found him to be exceptionally helpful, as during the past year we had a very bad experience regarding Tax and other problems relating to another accountant, we had a court case pending due to the negligence of this other accountant and Mr Varma personally straightened out the problem within hours, he managed to halt the court case and resolved the whole issue within a few months.

Words cannot express how grateful we feel, as my husband and I became very ill and our health was deteriorating daily due to all the upheaval, but thankfully we are making a slow recovery now a huge weight has been lifted from our shoulders.

This company is exceptional, they are patient, understanding and very experienced.

Yours sincerely

Mrs G Blacklock
